PRE-DANCE Dancers will be introduced to the art of dance through creative movement and music. They will learn basic dance steps while exploring their imagination and movement together. The class is structured to provide repetition so the dancers are able to feel a sense of comfort each week, allowing them to grow musically, improve their coordination, and balance. Most importantly it is fun, using their interests to learn movement.

PRE-ACRO This class is designed as an introductory class to dance and acrobatics. The class focuses on developing body awareness, form and develop strength for the younger dancer. Dancers will also build a basic understanding of creative movement and dance. This class is structured, to ensure safety for these tiny-tumblers, with a focus on fun!
